Displays &
Wayfinding

Screen Size(inch):
55", 75"

Non Touch

Our UK designed, and UK manufactured single or double-sided freestanding outdoor City Totem is built-to last!

Featuring an option of an additional screen; a 10.1" PCAP Multi-touch information side-bar ideal for local information and wayfinding, the dedicated ultra-high bright commercial IPS display panels (2,500 Nits) are ideal for impactful advertising.

Sleek, stylish and slim yet extremely robust our Retail Totem is fabricated with 304 Grade Stainless Steel body, 6mm laminated and toughened vandal-resistant glass.

The City Totem is built to withstand the elements and is IP65 rated against water and dust ingress and is anti-corrosion and rust resistant with a 5-year commercial warranty including 3-year hardware 3-day SLA on-site warranty.

With many intelligent features setting the Retail Totem apart from the competition such as thermostatically controlled active-cooling and air-filtration with powerful regulated rotary fans.

Added features like RGB LED light bars down both sides and grained powered coated paint and that little extra finish.
