

# Outdoor Screen Enclosures

IP65 Outdoor Enclosures with a choice of finish, designed to fit any screen type

**Screen Size (inch):**  
32", 43", 49", 55" & 75"

Our UK Designed and UK Manufactured, IP65, Air-cooled Outdoor Screen enclosures are built-to withstand busy retail and commercial environments and really stand-out from the crowd.

We design & produce a large range of enclosures to fit 32" to 75" commercial High Brightness screen sizes, with a choice of wall mounting or freestanding, single-sided.

Fabricated with 304 Grade Stainless Steel body, 6mm laminated and toughened vandal-resistant glass. Simply pick your enclosure and add one of our OEM or Vestel High Brightness 2500 Nits screens & your choice of a digital signage player for a full solution.

We also offer a range of professional commercial E-LED & D-LED FHD/ UHD displays, which provide an impactful image quality, with many features such as SoC & Built-in on/off timers, which can be easily set via the Remote Control, with RC Batteries included.

For piece of mind a 3-year commercial warranty is included and is designed to run problem free 24/7. Content can be updated easily via Plug & Play (USB) feature via the built-in SoC player which is built-in to the display screen or via ONE our Add-ons; W10 or Android cloud-based content management systems; Spec details & POA.

## Designed for: -

- Advertising
- Outdoor Environments
- Commercial Installs
- Public Information
- Display Hospitality
- Wayfinding

## LCD Display Features: -

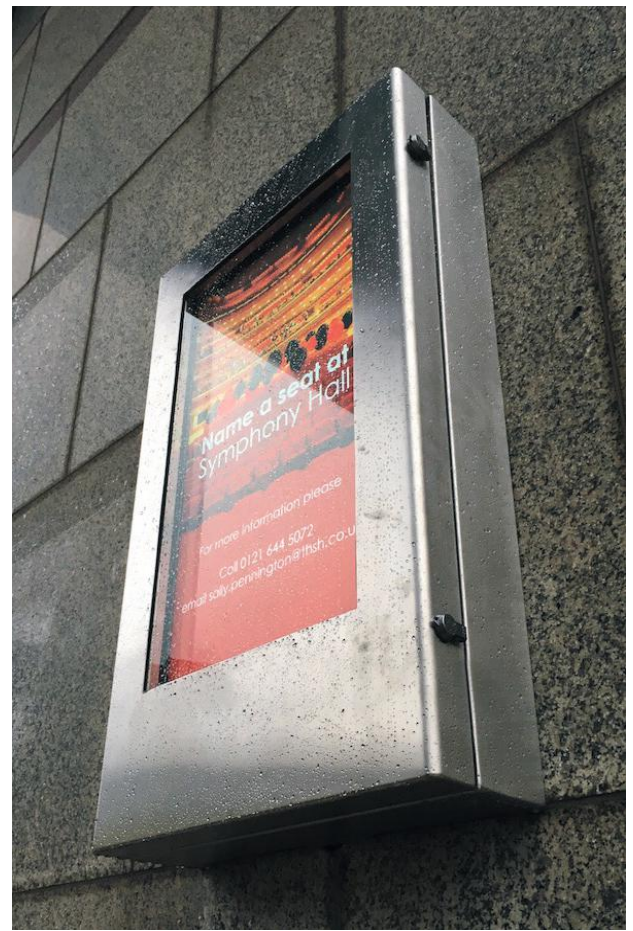

- 3 Years Vestel Warranty
- Digital Signage Scheduler
- Image Orientation
- Signal Failover
