

RETAIL TOTEM

Ideal for Advertising Displays & Wayfinding

Screen Size(inch):
49", 55"

Non Touch &
Capacitive Touch
Models

Our UK designed, and UK manufactured single or double-sided freestanding outdoor Retail Totem is built-to last!

Featuring an option of non-touch or just one or two independently running PCAP touch capacitive, ultra-high bright commercial displays panel sizes 49" 55" (2,500 Nits).

Sleek, stylish and slim yet extremely robust our Retail Totem is fabricated with 304 Grade Stainless Steel body, 6mm laminated and toughened vandal-resistant glass. The Retail Totem is built to withstand the elements and is IP65 rated against water and dust ingress and is anti-corrosion and rust resistant with a 5-year commercial warranty including 3-year hardware 3-day SLA on-site warranty.

With many intelligent features setting the Retail Totem apart from the competition such as thermostatically controlled active-cooling and air-filtration with powerful regulated rotary fans.

Added features like RGB LED light bars down both sides and grained powered coated paint and that little extra finish.
