## Range of Compatible Kiosk & Payment Applications tailored to your Restaurant or Takeaway

The Retail Payment Kiosk is Designed and Manufactured in the UK, making integration easy. Built to integrate with your existing EPOS Order System & Card Readers, rather than starting again. We are proud to be a Made in Britain backed manufacturer who can custom build and adapt the kiosk to create the right solution for your business.

Industry leading components from Zebra (QR Scanner) and Star-Micronics (Thermal Line Printer) make the Retail Payment Kiosk compatible with a range of POS Applications perfect for self-service kiosks. Integrate Android or Windows Players depending on the Operating System of your app.
